WRUW FM 91.1 CLEVELAND, OHIO WRUW.ORG

Dear Scene Magazine readers,

Thank you for perusing WRUW-FM 91.1 Cleveland's Spring 2013 Schedule! We have many great programs that are returning, many new programs to check out, and many opportunities to visit us at events in the coming months! Be sure to check us out 24/7/365 on the airwaves or online at www.wruw.org.

When it comes to Americana/bluegrass/blues/country programs, Laying Down Tracks, Roll Away the Dew, Walking Dr. Bill's Rhythm & Blues Survey, and Down by the Cuyahoga are immediately where to look. You can hear the best of the newest singer songwriters and also some great classics. In terms of indie rock and pop, you can catch four great hours every Sunday morning beginning at 8:00 a.m. with the Chasing Infinity Radio Program. In terms of metal, we have Lend Me Your Ear, Metal Meltdown, and Children of the Metal Movement to get your fill.

If you're looking for the latest news in public affairs, look no further than Democracy Now!, featured every weekday at 4:00 p.m. and Fridays at 3:00 p.m. Voices and Choices brings you the latest in the feminism world, whereas Straight Up with Doc Sana gives you news for the soul- the latest information from community art projects and things you should be aware of to make you feel better about your day.

We have some great new programs that will fill you to the brim with great music as well. Sound of Mind will bring you the best of experimental whereas the '59 Sound works through repetition and how music, although great and everchanging, never lets go of its roots.

WRUW will also be coming to you! Our staff will be sitting at tables at various events at which you can show your support, come talk to us about being DJs, or just talk about the album you can't stop listening to. You can find us at Cleveland Museum of Art's Summer Solstice Festival, Tri-C's Jazz Festival, Weapons of Mass Creation, and other great events around town!

We hope you enjoy our schedule, and tune in sometime! To hear that song you can't get out of your head, just remember to call 216-368-2208 to hear it on the station that brings you more music and fewer hits, WRUW-FM 91.1 Cleveland.

Sincerely,
Katy Witkowski
General Manager

From the Telethon desk:

April 8-14 is the most important week of 2013 here at WRUW.

Why, you ask?

Because that's the week of our annual Telethon, the one time each year that we ask for your financial support.

Didn't I give you money last year?

Yes, and THANK YOU for your support!! Broadcasting new and diverse music 24 hours a day on 91.1 FM and wruw.org requires a lot of volunteer effort, and a lot of cash.

You need more?

Yep. CWRU contributes less than 50% of our annual budget for new music, technical improvements and our live concert, and that difference is made up by donors like you. Past contributions from thousands of listeners over the years have enabled us to increase our signal to 15,000 watts, webcast and host downloads on wruw.org. This year your donations will help us continue to digitize our music libarary, which allows us to continue expanding our music library even though we're at the limit of our physical space in the WRUW studios. No money goes to salaries or basic stuff like keeping the lights on.

What's in it for me?

The money you donate to WRUW is returned to you as better, clearer music and public affairs programming - the reason why you listen to WRUW. You also get the warm glow of satisfaction that comes from supporting the best source of alternative radio in Cleveland. More materially, we'll thank you with your choice of CDs or WRUW logo items: t-shirts, sweats, hats, or drinking ware. And all contributions are tax-deductible.

How does this work again?

You call 216-368-2208 during the week of April 8-14 to make a pledge, or donate on-line at wruw.org during the weeks before and after the Telethon.

OK, you got me. I'm in again this year!

Thanks! Tell your friends!
